Norman L. Hente, RT, BS

FIRST ULYSSES D. MURRAY LECTURER SELECTED

The MSRT Board of Directors has invited Beth Anderhub to be the first Murray Lecturer. Beth is a past president of MSRT and is currently the Regional Modality Delegate for Sonography in Region V. She is registered as a Radiographer, Nuclear Medicine technologist and Sonographer. Currently Director of the Sonography program at Forest Park Community College in St Louis she is author of a highly acclaimed textbook on abdominal sonography. The MSRT is pleased to announce the acceptance of Beth Anderhub as the First Murray Lecturer.

SIXTH DISTRICT REVITALIZED!

On April 8, 1987 at the Mineral Area Regional Medical Center in Farmington, the Sixth District was reborn. This was accomplished through the efforts of Rita Montgomery and Lisa Brouwer as well as enthusiastic MSRT members in the area. MSRT President-Elect **Barbara W. Hente, BA, RT** was present to offer support and assistance. The following officers were elected: President, **Rita Montgomery, RT, BA**; Vice President, **Larry Ziegler, RT**; Secretary and Treasurer, **Lisa Brouwer, RT**. Region V Director **Norman L. Hente, RT, BS**, installed the new officers. Rita Montgomery was also elected as Sixth District Representative to the MSRT Board of Directors.

IT'S RENEWAL TIME!

In the center of this newsletter is your renewal form for the 1987-1988 fiscal year. We ask your assistance in completing this new form as accurately as possible. By doing so you will aid the MSRT to better serve you.

PRESIDENTS MESSAGE

Dear Colleagues,

It is my pleasure to make this second newsletter available to the members and supporters of the Missouri Society of Radiologic Technologists. I have received quite a few positive responses from members across the state who express their enthusiasm for the direction that the MSRT is going. This newsletter helps to supplement the Radiographer with vital current events and news. Many of you have commented on the "new look" of the Radiographer, both inside and outside. The credit must go to our new Macintosh computer and the editor of the journal, Barbara Hente. Also, my thanks must go to Norman Hente for his assistance with the Radiographer, as well as the newsletter.

One of the goals that I set at the beginning of my term as President of the MSRT was revitalization of our districts that had become inactive. I am happy to announce that District Six is now rejuvenated and is now reactivated. Through the diligent actions and efforts of Rita Montgomery, RT, BA and Lisa Brouwer, RT this district came back to full activity on April 8, 1987. Election of officers, including a sixth district representative to the MSRT Board of Directors took place on this date.

There currently are some very positive signs of activity taking place in District One. Revitalization could be around the corner. Several continuing education meetings have taken place and are in the planning stages. My special thanks go out to Anthony Bennett and Jeff Geiger who are both students at St Lukes Hospital in Kansas City. Also many thanks to St Lukes Hospital in Kansas City for sponsoring meeting notice mailings for the area. If anyone is willing to aid in the further revitalization of District One please contact me.

The MSRT Scholarship Committee, under the Chairmanship of Pamela Fulmer and with the cooperation of the membership and commercial supporters is doing a great job. The scholarship award information was mailed out on April 1, 1987. This information went out to 23 programs across the state. If you would like this information, please contact me or Pamela Fulmer. This \$500.00 Scholarship Award goes out to a needy and deserving student each year. The recipient of the award is announced at the annual conference of the MSRT.

Beginning at the MSRT Annual Conference, October 7-10, 1987 a newly established award will be given to an individual that has demonstrated outstanding service and contribution to the Missouri Society of Radiologic Technologists. The "Mallinckrodt Award of Excellence", sponsored by Mallinckrodt Diagnostices, to a recipient at each annual conference. More details about this award will appear in subsequent mailings. Finally, I want to encourage you to begin considering becoming active in the structure and function of the MSRT by serving as an officer or committee member. I invite you to share your talents and ideas with the MSRT. Nomination for officers will soon be going out. If you or someone you know has an eye toward the future of this organization, and our profession, please nominate them for officer positions in the MSRT.

Have a great summer!

Sincerely,

Michael D. Ward, R.T., M.Ed.
President and
Chairman of the Board

IN MEMORIAM

Sister Hilda Brickus, S.S.M. died March 18, 1987 in St Louis.

Sister Brickus was professor emeritus at St Louis University since 1981. She had been on the faculty of the School of Allied Health Services for 26 years. She received her B.S. in Radiologic Technology in 1954. She had

been supervisor of the X-ray department of the old St Mary's Infirmary and at St Joseph's Hospital in St Charles, Mo. She had been an active member of the American, Missouri and Fourth District Societies of Radiologic Technology.

Entering the Sisters of St Mary in 1946 she took her final vows in 1952.

Sister Brickus was on the advisory board for the disabled and was a former chairman of the St Louis Human Rights and Equal Opportunity Enforcement Commission.

Sister Brickus was a pastoral assistant at St Mathew the Apostle Church and at St Francis Xavier College Church at her death.

MALLINCKRODT AWARD OF EXCELLENCE

Mallinckrodt Diagnostics in cooperation with the Missouri Society of Radiologic Technologists is sponsoring a special award, "The Mallinckrodt Award of Excellence".

A special committee consisting of **Michael D. Ward**, President and Chairman; **Barbara W. Hente**, President-Elect and Editor; **Norman L. Hente**, Past President and Life Member; and Honorary Member **Ronald Bourne**, representative of Mallinckrodt Diagnostics has been working on details.

A large plaque, on which names of award winners will be permanently affixed, will be displayed at the annual conference. Each

winner will also receive a plaque of their own.

Candidates for this award will have demonstrated outstanding contribution to and support of the Missouri Society. Technologist candidates shall have a minimum of five years consecutive and current membership in the Missouri Society.

Candidates may be technologists, supporting members, or other individuals who have made unusual or exceptional contributions to the society.

Selection of the award winner will be made by the Board of Directors of the Missouri Society of Radiologic Technologists.
