WE GOT IT AND WE'VE GOT HIM !!!!

That's right!! The Missouri Society will be the proud hosts of the 1994 American Society of Radiologic Technologists 66th Annual Conference meeting. It will be held June 18-23, 1994 in St. Louis, Missouri. Not only do we have that wonderful honor, but our own Darrell McKay, Ph.D., R.T.(R), FASRT was installed as the president of the American Society of Radiologic Technologists at the recent meeting held in Baltimore, MD. You can catch Darrell's presidential message in the July/August 1993 Radiologic Technology. Darrell has spent many hours of service to the ASRT in many various roles, and also has served the MSRT not once but twice as it's president. We should all be proud of Darrell's accomplishment for it shows what a dedicated professional we have here in the State of Missouri. CONGRATULATIONS DARRELL, and we'll see everyone under the arch in '94 at the ASRT annual conference.
