FROM MSRT PRESIDENT WOLFE:

CONGRATULATIONS to ALL as we celebrate National Radiologic Technology Week and the centennial of Roentgen's discovery!

Your MSRT Board of Directors has been busy! Cindy Daniels and the Ways and Means Committee have come up with some great fund raisers. Your District Representative has anatomical key chains for sale that will make great gifts for anyone at a very reasonable price. (perfect stocking stuffers!)

JoAnne Schahuber has graciously agreed to put together an MSRT Cookbook. There are lots of wonderful cooks in this organization, so please contribute any and all of your favorite recipes. Contact your district representative for information.

Gayla Hankins will soon be mailing nominating forms for the 1996-1997 MSRT Officers. Please consider running for an office. It's a great way to contribute to your profession and make new friends on the way!

Shawn Snider, Ann Lach, and the entire Kansas City crew are busy planning the 1996 Annual Conference. Read more about the changing format in this newsletter. And the St. Louis team has already begun their planning for the 1997 Annual Conference. Feel free to share your suggestions for speakers or consider sharing your knowledge and expertise by being a speaker yourself. You can obtain additional continuing education credits by putting together and presenting a lecture.

Remember, the key to YOUR knowledge is to get involved.

HAVE A GREAT RADIOLOGIC TECHNOLOGY WEEK !!!!!!!!!!!

CELEBRATE 100 YEARS
 OF RADIOGRAPHY
 1895-1995

THE MISSOURI SOCIETY OF RADIOLOGIC TECHNOLOGISTS

Application for Membership
July 1, 1995- June 30, 1996

Please complete ALL sections and return to MSRT with payment

New Applicant _____ Renewal _____ (other name membership under) _____

HERE'S WHAT'S HAPPENING!!

The 64th Annual Conference is right around the corner. The conference will be held April 10-13, 1996 at the Adam's Mark Hotel in Kansas City. Wednesday will feature the golf tournament and keynote speaker Bill Mulkey. Bill is great at motivating technologists and students alike by inspiring pride in the profession with his presentation "Take This Job and Love It." Thursday will be a day of variety including sessions on the circuit made east, the history of medicine, skills for success, darkroom safety, physiologic effects of contrast media, bizarre radiographs and traditional student preparatory examination. The exciting student bowl has been moved to Thursday evening to allow for more educational sessions during the daytime. NEW this year on Friday is a management track including re-engineering, customer service, resolving conflict, health care financing, presentation skills for the manager and career development. In addition sessions on interventional radiology, emergency procedures, how to get published child abuse and OSHA will be presented. The evening will include the traditional Ulysses D. Murray Memorial Lecture, this year presented by James L. Watson, BSRT(R). Mr. Watson's lecture will also be an ASRT approved continuing education session. The night ends with the Presidential banquet, presentations of awards, and installations of new officers. Saturday will offer FIVE modality tracks. Full day sessions in Radiography, Nuclear Medicine, Mammography, Radiation Therapy, and Ultrasound ensure that there is literally something for everyone. We hope to provide eight hours in Each track. A Total of 75, that's seventy-five hours of continuing education credit will be available at the 1996 Annual Conference. There will be something for everyone. Make plans NOW to attend. Don't wait until the last minute for meet your continuing education requirements. SEE YOU IN KANSAS CITY.

CONGRATULATIONS to Carolyn Chittenden from Springfield. She successfully answered the computer quiz in the August Radiographer, and she WON a MSRT logo t-shirt. Thanks to all of you who participated. Better luck next time!

\$500.00 MSRT TECHNOLOGIST SCHOLARSHIP--Don't miss out on this excellent opportunity. Make sure you are a member and contact Vice President Donita Shipman for information and an application. Call her at 816-827-9530(W) or 816-343-5376(H) or write her at HCR 62, Box 10, Smithton, MO. 65350
