■ National Radiologic Technology Week Nov. 7-13, 1999

As part of this year's National Radiologic Technology Week, we thank all the hard working radiologic science professionals for making positive changes in the delivery of patient care. Every day you make a difference in someone's life.

This year's theme is: **Making Waves in Medical Imaging and Radiation Therapy.** Become involved in the community, and let other health care workers and the public know about the beneficial impact medical imaging and radiation therapy have on patient care.

MSRT

■ District 4:

September 15—6 p.m.

Location: Open MRI of Missouri at St. Peters, across the street at City Hall.

Speaker: Joseph Zuchowski

Topic: "Staffing/Training Your Open MRI Scanner"

Thank You: Larry Menendez

October 12—6 p.m.

Location: Forest Park Hospital (formerly Deaconess), at Oakland and Hampton

Speaker: Dr. Karen Goodhope

Topic: "Mammographic Interpretations"

Thank You: Paula Ricci

November 9—6 p.m.

Location: Shriner's Hospital, St. Louis

Topic: "Patient Pain—How do We Relate to Our Patients?"

Thank You: Suzy Wagy

Questions? Call Coretta Schroer, (314) 355-9484. All District 1 educational meetings have applied for 1 ECE credit.

■ District 6:

September 11—1999 Radiology and Ultrasound Education Workshop

Location: Drury Lodge, Cape Girardeau

Presented in conjunction with the Southern Missouri Area Sonographers (SMAS).

Up to 9 CE credits will be awarded upon completion as approved by the ASRT, the Illinois Department of Nuclear Safety, ICRT, and SDMS. This year we are offering 5 mammography-specific CE credits to meet the annual need of mammographers.

Questions? Call Deana Middleton, RT(R), at (573) 686-7440.

■ District 7:

October 23—Saturday

Radiation Therapy meeting

Location: Ellis Fischel, Columbia

Main topic: "Implants"

6 CEUs credit; mailing is forthcoming.

Questions? Call Kay Glass, (573) 882-2100.

■ District 8:

October 2—Saturday

"4th Annual Mammography Seminar"

8 a.m. to 12:50 p.m.

St. Luke's Hospital

Emerson Auditorium-South Medical Building

232 South Woods Mill Road

Chesterfield, MO 63017

Breakfast and lunch provided by GE Medical Systems and Eastman Kodak.

Credits: 5 Category A CEUs

Cost is \$25; registration limited to 200 persons.

Mail registration forms (along with \$25) to:

Lori Schultz

3005 West Ash Street

Columbia, MO 65203

Brochure mailed in early September.

Please respond ASAP; space is limited!

Questions? Call Brenda Matthews, (573) 761-7000, Ext. 2299 (work) or at (573) 474-6602 (home).

■ If your name or address has changed, please notify us immediately so you won't miss out on all the news!

Join ASRT today!

■ We encourage all MSRT members to become ASRT members! Membership in ASRT will help strengthen our state society. ASRT keeps track of your ECE hours, and each ASRT magazine includes a Directed Reading for ECE hours

Write ASRT, P.O. Box 13058, Albuquerque, NM 87192-3058.

2000 MSRT conference set

There will be lots of fun, excitement, and education to be had at the 2000 MSRT Conference May 3-6 at the Holiday Inn at the Lake of the Ozarks, so don't miss out!

This year's theme is "BE Prepared — BE Ready — BEGIN the New Millennium with the MSRT."

Wednesday evening we hope to have a welcome reception after the classes. Thursday will be the student bowl, which is always a crowd pleaser. Friday will be the Presidential Banquet.

Saturday will have four tracks going: Radiography, Mammography, Radiation Therapy, and MRI. Probably 8 hours of credit on Saturday alone! So plan NOW on attending to get those necessary ECEs.

The Lake of the Ozarks offers a wealth of activities and shopping, plus we'll once again have our golf tournament on Wednesday—so plan to join the fun!

The room rate will be \$64 per night (plus tax) for up to 4 people in a room. The direct number to the hotel is 1-800-532-3575 if you want to make reservations this early. (Make sure you let the hotel know you're with MSRT.)

Anyone wanting to help with the conference, give a lecture, or anything else you can think of, please e-mail Conference Coordinator Debbie Hurst at DHurst3695@aol.com or call her at home at (573) 474-6573. She'll get back to you promptly.

(Her 800 number at work is 1-800-223-5779, Ext. 9243.)

■ Full-Time University Position for Registered Radiologic Technologist ■ University of Missouri School of Veterinary Medicine, Columbia, MO

Hours: Monday-Friday, Day Shift (no weekends, holidays or call)

Will be cross-trained to be able to perform exams/procedures using the following equipment:
